Join the **Fairfield County Diving Association** for the following reasons:

**Monthly meetings** are held at the Coast Guard Cottage at South Benson Marina in Fairfield, Connecticut.

**Programs of interest to divers** including educational guest speakers discussing local underwater dive sites and the aquatic biosphere, slide shows by resort operators showing their destinations and members showing their trips, video presentations by members and professionals.

**Monthly newsletters** inform members of meetings and upcoming events with articles by club members and others discussing interesting dive experiences and strange stories about members that let you know that you're not the only crazy diver out there.

**Learn** about the best local dive boats, dive sites, dive destinations and beach diving.

**Parties and Clambakes** give you an opportunity to socialize with fellow divers.

**DAN Sponsorship** - The Club is a **Diamond** sponsor of the **Divers Alert Network**.

**Meet other divers** from the Fairfield County area with similar interests. Discuss gear selection and places to get the correct type of equipment for your intended type of diving with our seasoned sport divers. Save money by buying the right gear the first time at the right place.

**Diving Specialties** - discuss your interests with our specialty divers - Dive travel, Photography, Video, Archeology, Caribbean Diving, Lobster Diving, Wreck Diving, Technical Diving, Nitrox and Mixed Gas Diving, Rebreather Diving, Local diving and Underwater Hockey.

**Underwater Easter Egg Hunt and Beach Cleanup** - a chance to check out your gear in the spring.

**Underwater Pumpkin Carving and Beach Cleanup** - wind up the local diving season in the fall. 01/2010
