

Divers, Do You Suffer From Sinus "Squeeze"? FREE Balloon Sinuplasty Seminar

- What can you do if you are one of the many divers afflicted with sinus problems, or any Ear Nose and Throat issue?
- An Ear Nose or Throat problem is the most common issue preventing divers from getting in the water.
- Sinus problems are the number one reason that brings patients into the doctor's office.

You are in luck! Dr. Paul Alberti, Acclarent,, and New England Dive of Wallingford are sponsoring an evening seminar on **February 15, 2012** featuring **Dr. Paul Alberti**, a local ENT and DAN certified physician.

Dr. Alberti will be speaking on **eustachian tube issues**, the new **Balloon Sinuplasty procedure**, as well as many other topics. The evening will be co-sponsored by Acclarent, the manufacturer of the Balloon Sinuplasty equipment. There will be a slide and video presentation and time for Q & A after.

Come join us for what promises to be a very fun and informative evening!
